Aarathi aarathi

Vandhaachu kalyaana kaachalundhaane
Yen indha koochamum than undaachu
Vetkathil verkuthuthaanae

Vaanathula neenthuralae
Vanna iragaa

Ennachu yedhaachu
Un pechu engadi pochu
Kanveechu kai veechu
Ella kammunnu aachu

Aarathi aarathi
Nee kaattu nera
Paaratti seeratti
Poo chooda pora

Un panju dhegathula
Maappila maattuvaan thaaliyathaanae
Eeranju maasathula nee mella
