Aarambha aarambha hosadaada milana  
Aarambha oh ho aarambha  
Naviradha kathana  
Manasemba goodali sihiyaada haavali  
Idakke yenendu naa helali

Adey haratey adey mouna adey dinavella  
Adey avanu adey avalu maathe mugidilla  
Adey haratey adey mouna adey dinavella  
Adey avanu adey avalu maathe mugidilla

Elle irali hege irali noodide bimba  
Prathi kshanavu jothe iruva  
Aasey kanthumba  
Hrudhayave hrudhayave  
Gelethana chendave  
Ella bhavne hanchikolluva  
Eradu manasugalu  
Nalku kannalu thumbi thulukive  
Onde kanasugalu
