

Aari Aari Lyrics

Ghir-ghir baddal barsange
Jad teer milan do raahvan de
You better watch your head
Ghir-ghir baddal barsange
Hun badle rukh havaavan de
You better watch your head

Aai akhaan te aai meri sardari

Aari-aari-aari
Aari-aari-aari
Ve teri-meri ikk jindri
Lae gayi lutt jind saari
Ve teri-meri aari-aari-aari

O mainu dil di baazi agge
Koi dard bada na
Koi dard bada na lagge
Waari duniya-daari thugge
Meri jaan tere ton waari

Yo, my father raised me a winner
If i kill for my people it don't make me a sinner
From the coast to the plains everybody knows the name
I'm coming for em we got bills to maintain

Bitch you got an ego shouldn't fuck with me tho
I make all this money like i'm running a casino
G code got that power in my genome
Cut the bluff can you stand up? What's between those?

Pop up heads to the paper like they were crossing on each other

I'll make a deputy bet to me i'll make a couple other
Craziest turn the laziest problem to a product
Hustler probably profit cause i was profitable
Profit words of mother words of mother
Two hands on they neck like i was turning butter
So hot-headed if i go to sleep i'll probably burn the covers
Burn the covers if the covers burn i gotta turn the mattress
Hoping the first pick you wanted a pic like a wordy caption

Waari varsi khattan giya si khatt ke liyaanda patasa
Waari, waari varsi khattan giya si khatt ke liyaanda patasa
Ke mittran nu maar giya maar giya ve tera haasa
Mittran nu maar giya maar giya ve tera haasa

Khair-khabar main teri lai laini sohne yaar ve
Preet parkhda tera jagg vaeri hoeya mera
Jaane tu hi bas jaane meri dildaari

Aari-aari-aari
Aari-aari-aari
Ve teri-meri ikk jindri
Lae gayi lutt jind saari ve teri-meri
Aari-aari-aari

O mainu dil di baazi agge
Koi dard bada na
Koi dard bada na lagge
Waari duniya-daari thugge
Meri jaan tere ton waari

Aari-aari-aari
Aari-aari-aari
Ve teri-meri ikk jindri
Lae gayi lutt jind saari ve teri-meri
Aari-aari-aari
