Aaruyire en aaruyire
Un pirivil
Manam valiyil nondhu vaadudhey

Vaaname en vaaname
Iru vizhi unnai thangume
Eangiye uyir udayudhe
Nee vaa

Kannu thuliyile
Kadal osarudhey
En usuradhil
Moolgudhey

Un nenappadhu nenja polakudhu
Enna norukkudhu pitchi eriyudhu
