

Dhundhla jaayein jo manzilein  
Ek pal ko tu nazar jhuka  
Jhuk jaye sar jahan wahi  
Milta hain rab ka rasta  
Teri kismat tu badal de  
Rakh himmat bus chal de  
Tera saathi, mere kadmon ke hain nishan

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Khud pey daal tu nazar  
Halaton se haar kar  
Kahan chala re  
Haath ki lakeer ko  
Modhta marodhta hai hosla re  
To khud tere khawabon key rang mein  
Tu apne jahan ko bhi rang de  
Ke chalta hoon main tere sang mein  
Ho shaam bhi toh kya

Jab hoga andhera  
Bharatlyrics.com  
Tab payega dar mera  
Uss dar pe phir hogi teri subah

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Mit jaate hain  
Sabke nishaan  
Bas ek woh mit-ta nahi hain

Maan le jo har mushkil ko  
Marzi meri  
Ho humsafar na tera jab koi  
Tu ho jahan, rahoonga main wahi  
tujhse kabhi na ek pal bhi main juda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda

Tu na jaane aas pass hain khuda  
Tu na jaane aas pass hain khuda.
