

Yeh sub kuch jo tere aas paas hai  
Yeh sub kuch joh teri  
Zindagi mein ho raha hai  
Yeh sub kuch joh tere aas paas hai  
Yeh sub kuch joh teri  
Zindagi mein ho raha hai  
Kya uhi sub kuch maanga tha  
Kya uhi sub kuch maanga tha  
Joh bhi tune paya hai  
Yeh sub kuch joh teri  
Zindagi mein ho raha hai  
Kya uhi sub kuch maanga tha  
Kya uhi sub kuch maanga tha

Baato ko lene se dil per lagta hai rog  
Dil par na lo socho nahin bollo nahin  
Duniya hai hota hai joh bhi kehte hain log  
Hone hi do roko nahin toko nahin  
Logo ki kyun maan le dil pe kyun na dhyaan de  
Dehkenge hum sochenge hum  
Rokenge hum tokoenge hum bolenge hum

Khabhi doop chhawo hai khabhi hai raaz kiya  
Gham aur khushi koi suhki koi duhki  
Yaar bhi dushman

Bhi yahin mere khuda  
Samje nahin tu hi suna tu hi baata  
Shikve hi karte rahien  
Kab talak marte rahein hai bade kya hai  
Raaz kiya tuhi

Suna tuhi baat mere khuda  
Yeh sub kuch joh teri  
Zindagi mein ho raha hai
