

Sokha naiyo mitron jahaan jitna,
Aus ton vi aukha ae imaan jitna,
Sokha naiyo mitron jahaan jitna,
Aus ton vi aukha ae imaan jitna,

Kisse ne shadayian nu tareeka das ta,
Sacheyan ne sach da saleeka das ta,
Han jag diyan toliyan makke nu daudiyān,

O jag diyan toliyan makke nu daudiyān,
Aashiqan ney sidhiyan hi layian paudiyān,
Ke jag diyan toliyan makke nu daudiyān,
Aashiqan ney sidhiyan hi layian paudiyān..,

O kaun dinda patshahiyan peer ton bina,
Ke ranjha kihne jan-na si heer ton bina,
Ishqe di asli nishani mitro,
Odeyan khayalan wali gaani mitro,

Lawan jaleya si ke yaadan baudiyan,
O lawan jaleya si ke yaadan baudiyan,
Aashiqan ney sidhiyan hi layian paudiyān,

Ke jag diyan toliyan makke nu daudiyān,
Aashiqan ney sidhiyan hi layian paudiyān..,

Patte patte wich ohda noor wasda,
Ji kidan kehiye sade kolon door wasda,
Aithe aa ke husna nu dol dindiyan,
Gujje gujje bhed vi farol dindiyan,

Aa roshni te hawa dowein bhena jodiyan,
Ke roshni te hawa dowein bhena jodiyan,
Aashiqan ne sidhiyan hi layian paudiyān,

Ke jag diyan toliyan makke nu daudiyān,
Aashiqan ne sidhiyan hi layian paudiyān..,

Ohdi deed waliyan sharaban mithiyan,
Kidān pata laggu je kade na dikhiyan,
Ik adha ghut pee ke vekh tan sahi,

O fakkaran de wang jee ke vekh tan sahi,

Aewein pee janna ae sharaban kaudiyan,
Oye aewein pee janna ae sharaban kaudiyan,
Aashiqan ne sidhiyan hi layian paudiyan,

Aa jag diyan toliyan makke nu daudiyan,
Aashiqan ne sidhiyan hi layian paudiyan..,

Keyiyan ohdi yaad nu dheya ke pa leya,
Keyiyan ohdi yaad wich bah ke pa leya,
Sanu vi tan apna khwab de deyo,
Aes sartaaj nu rabab de deyo,

Sanu vi sakhawo aasan maaj gaudiyan,
O sanu vi sakhawo aasan maaj gaudiyan,
Aashiqan ne sidhiyan hi layian paudiyan,

Ke jag diyan toliyan makke nu daudiyan,
Aashiqan ne sidhiyan hi layian paudiyan..,

Aashiqan ne sidhiyan hi layian paudiyan,
Aashiqan ne sidhiyan hi layian paudiyan,
