

Aashiqui main had se gujar jane ko ji chahe
Tere dil main aaj uthar jane ko ji chahe
Aashiqui main had se gujar jane ko ji chahe
Tere dil main aaj uthar jaane ko ji chahe

Dhup tu chhav tu raat bhi tu
Neend mein khwab mein har baat mein tu
Aashiqui main had se gujar jane ko ji chahe
Tere dil main aaj uthar jane ko ji chahe
Aashiqui main had se gujar jane ko ji chahe
Tere dil main aaj uthar jane ko ji chahe
Uff ye mohabbat tobba tobba
Uff ye mohabbat tobba tobba

Pyar ke kawab hasi aanko me machal rahe
Chal rahe hum sanam raste badal rahe
Paa chuke hai hum sanam pyar ki ye manjile
Ab kabi na katam ho chahato ke silsile
Are main hoon deewana tu hai deewana
Are main hoon deewani tu hai deewani
Dil ye kahata hai tujhpe luta du jaan
Aashiqui main had se gujar jaane ji chahe

Tere dil main aaj uthar jane ko ji chahe
Aashiqui main had se gujar jaane ji chahe
Tere dil main aaj uthar jane ko ji chahe
Dhup tu chhav tu raat bhi tu
Neend mein khwab mein har baat mein tu

Teri chahat ka sanam ye hua mujhpe ye asar
Har ghadi mujhpe dhundhti hai ye najar
Jab tak hai zindgi sath na chhute kabi
Tere mere pyar ki dor na tute kabi
Bhule bhi na preet suhani
Preet humari amar kahani
Dil ye kahata hai gori tu hai mera jaha

Aashiqui main had se gujar jane ko ji chahe
Tere dil main aaj uthar jaane ko ji chahe
Aashiqui main had se gujar jane ko ji chahe

Tere dil main aaj uthar jaane ko ji chahe
Dhup tu chhav tu raat bhi tu
Neend mein khwab mein har baat mein tu.
