

Asmaan ke niche
Hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale
Asmaan ke niche
Hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale

Tum chale to ful jaise
Aanchal ke rang se saj
Gayi raahe saj gayi raahe
Paas aao main pahanaa doo
Chaahat kaa haar ye khuli
Bharatlyrics.com
Khuli baahe khuli khuli baahe
Jisakaa ho aanchal khud hi chaman
Kahiye wo kyo haar baahon ke daale
Asmaan ke niche hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale

Bolati hain aaj aankhe kuchh
Bhi naa aaj tum kahane do
Hum ko kahane do hum ko
Bekhudi badhati chali hai
Ab to khaamosh hi rahane
Do hum ko rahane do hum ko
Yek baar yek baar mere liye kah do
Khanake laal honthon ke pyaale
Asmaan ke niche hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale

Saath mere chalake dekho
Aayi hain dhoom se ab ki
Bahaare ab ki bahaare
Har gali har mod pe wo dono ke
Naam se hum ko pukaare
Tum ko pukaare

Kah do bahaaron se
Aaye idhar un tak
Uthhakar hum nahin jaanewaale
Asmaan ke niche
Hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale
Asmaan ke niche
Hum aaj apne pichhe
Pyaar kaa jahaan basa ke chale
Kadam ke nishaan bana ke chale.
