

Jalai thi jo big shama  
Ban ne laga ab karwa  
Jalai thi jo big shama  
Ban ne laga ab karwa  
Khulne lage hai raaste  
Dikhne laga anpa jahaa

Ab mil gaye hato se haath  
Chalne lage hai saath-saath  
Ab na thamega ye silsila  
Hai buland humara hosla  
Ab na thamega ye silsila  
Ab mil gaya hai hume aasra

Irado me ufan hai  
Dil me kai toofan hai  
Irado me ufan hai  
Dil me kai toofan hai  
Awazo ki sargosiya

Khamoshi ke darmiyan hai

Ankho me umeed hai  
Kal ke liye armaan hai  
Ab na thamega ye silsila  
Ab hai buland humara hosla  
Ab na thamega ye silsila  
Ab hai buland humara hosla

Milke humne jo dekhe hai  
Un khabo ki udan hai  
Milke humne jo dekhe hai  
Un khabo ki udan hai  
Aane wale her lamhe me  
Badli hui pehchan hai

Ab rasta hai raat ka  
Ye nai subah ki shaan hai  
Ab na thamega ye silsila  
Hai buland humara hosla  
Ab na thamega ye silsila
