

Aata Senasaata Song Lyrics

Aata senasaata yeno hudukaata
Bega tusu bega yero usiraata
Banda bhayadinda yello siluki
Bimba pratibibma kaanu inuki

kaanadoorige
Kaanu odide
Naksheillade

Let there be lighth darkness
Be careful with the faces
Either you walk or you run
They will come to you hard

Keep chasing yourself faster
Karma is the spectator
Dont wait for the lighth in the dark
You are all alone

Yaava neeru kdiyodu
Baduku anno daahakke
Yeshtu anta bedodu
Hogo jeevakke

Kanasalleno sariyilla
Spashtavagi kaanalla

Bega tusu bega yero usiraata
