

Aatam Song Lyrics

Nee neeyaaga iruppathul illai pizhai
Nee kelvi kuri endraal yaar inge vidai
Indha pooviyinile yaaridam illai kurai
Unarvugal unarchigal soozhnilai karumvisirai

Karai serum varai oyavillai antha alai
Yetra thaazhvu yenbathellaam oru mana nilai
Break free from that karapanai tharum thirai
Ellorum nam sondham yedartham indha nilai

Puriyaatha uraikutha
Unmaigal unakku theriyutha
Patharutha varundhutha
Yennangal sindhaigal udayutha

Level it up bedhangal udainthu
Manitham nammulle kalanthu
Light it up pagaiyai thuranthu
Siragai virithu paranthu

Aattam ellaam konjam kaalam
Koottam ellaam vanthu pogum
Thedal kooda oyinthu pogum
Yedhuthaan inga nirandhiram

Aattam ellaam konjam kaalam

Yen orumaiyai unara marakkirom yen
Porumaiyai izhindthu nikkirom yen
Verumaiyil vaazhkkai tholaikkirom yen
Varumaikodu ozhiyathuthen

Naadugal verupaadugal yen
Aayudham aatchi seivathum yen

Sudhanthiram verum pechaanadhen

Sirupori neruppu thandhavai yaavum
Naagareegam yena maatri vittom
Vaanathai thaandi bhoomiyai thondi
Iyarkkaiyai seendi paarthu vittom

Peraasaigalin vilaivugal yaavum
 Peralayaaga pongaatho
 Manithan ennum inathaale
 Ulagam muzhudhum saagaathe

 Perumai peethi kolginrom
 Yethai noki poginrom

Kuraiyai solli pulambinom
 Kuralai yezhuppa thayaginom
 Kanmoodi vaaipothi sevi saathi
 Vazhkaiyai vazhgingrom

Madiyatra tarankettu verikundu sarikatti sinnungathe
 Vazhikaattu thalayatti silai pole sariyendru nirkathe
 Kovathail drogathil krodathil kirumi pol paravathe
 Mogathil madhikettu udaipattu bodhaiyil sariyadhe
