

Kuyilin kuralil satham onnu kekkudhaa
 Adhu satham illa kuyilum mellisaiyil paadudhu
 Malarin idhazhil mutham onnu kodukkavaa
 Nee mutham thara en manam vekkappattu odudhu

Aathadi adi aathadi
 Iva nenjukkulla parakkudhu kaathaadi
 Indha rosaappoo yenguradhu
 En mannavanin maayamadi

Aathadi adi aathadi
 Iva nenjukkulla parakkudhu kaathaadi
 Indha rosaappoo yenguradhu
 UN mannavanin maayamadi

Valaiyal satham onnu kekkudhaa
 Varanda nenjil eeram paayudhaa
 Kolusu mella kekkudhaa
 Unna kollaiyida paakkudhaa

UN vizhiyaal ena varanja
 En usurukkulla mella nuzhainja
 UN kaiviral theenda naan nelinjen
 Ada naanam vandhu naanum olinjena daa
 Unna enni enni naalum melinjenadaa

Aalam vizhudha polavum naan
 UN ninaippil vizhundhu kidakkurenaa
 Kaalam muzhudhum UN kaadhaliyaa UN
 Kannangalai urasa thavikkuren naan
 Enna solla ini onnum illa

Ada unna vida veredhuvum thevaiyilla
 Aathadi adi aathadi
