Khadi jo afghan ton aayi
Ainak thalle akh lukayi

O yaaran de nal jaffiyan vairi nal chirde aan
Sadak'an utte aathe paunde phirde aan
Sadak'an utte aathe paunde phirde aan

O aapas de vich chaud makhulan
Zindagi de nal karan kalola
Sare rahe nazare luttne badshahan de raje puttne
O feeling jittan asin amani
Hasti phirdi di chadhi jawani

Oh phullan varge chehre vekh ke khirde aan
Sadak'an utte aathe paunde phirde aan
Sadak'an utte aathe paunde phirde aan

O kade speed'an kade brake'an
Baitha lave uchchiyan hikkan
Munda ni prakashran da nal jaar happy na daa
Aao dheegarda ni dass tu kehda
Facebook te rakhya dera
Atthon 8 chon rakane je puchhdi e haal tu mera

O kar la chakk snap'an launde phirde aan
Sadak'an utte aathe paunde phirde aan
Sadak'an utte aathe paunde phirde aan

Changa hun murde aan kall nu
Ho gaye tar pahadan vall nu
Paenti lai tikki vich dhar lai
Jaan di full tiyari kar lai

O sandhuan da kuldeep rakane likhda jehra geet rakane
Time nal hi ho gaya talli janda murthar tavalli

Machhdiyan nu hi hor machaunde phirde aan
Sadak'an utte aathe paunde phirde aan
Sadak'an utte aathe paunde phirde aan
Sadak'an utte aathe paunde phirde aan
