

Aaya hoon, aaya hoon, dil leke aaya hoon
Deewaane dil ki baat rakhana
Tu mera saaya hai, mai tera saaya hoon
Yaar hamesha hame saath rakhana
Come on baby you are the one for me, tell me you are
Come on baby you are the one for me, tell me you are
Haan mere yaar , haan mere yaar
Aaya hoon, aaya hoon, dil leke aaya hoon

Deewaane dil ki baat rakhana
Tu mera saaya hai, mai tera saaya hoon
Yaar hamesha hame saath rakhana
Come on baby you are the one for me, tell me you are
Come on baby you are the one for me, tell me you are
Haan mere yaar , haan mere yaar

Dil yeh deewaana hai, khud se begaana hai
Chaaht ki raaho pe aaya hai yeh
Tumne jo jaana hai, maine woh maana hai
Afsaana dono ko bhaaya hai yeh
Jaha bhi jaaogi, mujhko hi paaogi
Jaha bhi jaaogi, mujhko hi paaogi
Pyaar ka mere aitbaar karna
Come on baby you are the one for me, tell me you are
Come on baby you are the one for me, tell me you are
Haan mere yaar , haan mere yaar

Yaad jab teri aaye, kuchh kuchh dil mein ho jaaye
Har pal suhaana bana jaate ho
Haa dhadkan mein basate ho, palko mein rehte ho
Sapna mai ake chale jaate ho
Sapne sajaane hai, apne banaane hain
Ha ha ha ha ha
Sapne sajaane hai, apne banaane hain
Pyaar ka aisa ikraar karna
Come on baby you are the one for me, tell me you are
Come on baby you are the one for me, tell me you are
Haan mere yaar , haan mere yaar
Aaya hoon, aaya hoon, dil leke aaya hoon
Deewaane dil ki baat rakhana

Tu mera saaya hai, mai tera saaya hoon
Yaar hamesha hame saath rakhana
Come on baby you are for me, u know u are
Come on baby you are for me, u know u are
Haan mere yaar , haan mere yaar.
