

Aayi bahar hai hum bekarar hai
Kaisa musibat hai bap re
Bulbul hai bolta jiya hai dolta
Aise mein karle milap re
Aayi bahar hai hum bekarar hai
Kaisa musibat hai bap re
Bulbul hai bolta jiya hai dolta
Aise mein karle milap re

Dekho ji dekho hamse na karna
Angreji mein prem
Na karna angreji me prem
Hum to nahi hai git pit git pit
Karle wali mam
Git pit karne wali mam
Bharat ki nari hu, mam se pyari hu
Julfe to meri nap re bap re
Bulbul hai bolta jiya hai dolta
Aise mein karle milap re
Aayi bahar hai hum bekarar hai

Kaisa musibat hai bap re

Lambi lambi ye julfe katake
Gore galo pe lali maro
Phir najuk najuk hotho se
Pyare pyare tum pukaro
Dil mera kho gaya mujhko to ho gaya
Teri mohabbat ka tap re
Bulbul hai bolta jiya hai dolta
Aise mein karle milap re
Aayi bahar hai hum bekarar hai
Kaisa musibat hai bap re

Kyu aisi baate karte ho sajan
Jinse hum sharmawe
Ho sajan jinse hum sharmawe
Dil ki dhadkan badhti hi jaye
Nain jhuk jhum jaye
Ho sajan nain jhuk jhum jaye

Hamko satao na jiya jalao ne
Hamse hoga na ye pap re
Bulbul hai bolta jiya hai dolta
Aise mein karle milap re
Baap re.
