

Aai thi raat josh e tamannaa liye hue
Jaati hai ab luti hui duniyaa liye hue
Sitaaro ki mahafil saji tum na aaye
Sitaaro ki mahafil saji tum na aaye
Saji tum na aaye
Tumhe hamane aavaaz di sajanaa
Tumhe hamane aavaaz di tum na aaye
Haaye tum na aaye, haaye tum na aaye

Bichhadane ko ab raat kaa kaarvaa hai
Haaye kaaravaan hai
Huaa chaand benur chup aasamaan hai
Chup aasamaan hai
Chali ruthakar chaandani tum na aaye
Haaye tum na aaye, haaye tum na aaye

Abhi jaag uthe hai ummido ke taare
Ummido ke taare
Chale aao pyaare mohabbat pukaare
Mohabbat pukaare
