

Aayiram Thara Deepangal Song Lyrics

Aayiram thara deepangalay
Ravorungunnu thrukkarthika

Kasavin ezhakal njeriyum mukile kalikal parayu
Kolusin kilukil chuvadin unarum oru thiruvathira
Aayiram thara deepangalay
Ravorungunnu thrukkarthika

Neelan janakkannil choodu maraavenin
Aazhangalil enthe cheru nombaram

Thuval viralmeettum veenadhinaadham pol
Eeran nilavinte madhumathranam
Naadan pazhambatti neenagalam
Etho kadhakoottu chaayangalayi

Eravin madiyil nirayum
Akilin manavum uyarum azhakezhum
Aayiram thara deepangalay
Ravorungunnu thrukkarthika

Muthasshimavethum naveruthottangal
Ulpoovilavolam peythalinju
Naagakkalam keeri aadunna kaattinte
Ormmakkarikoonthal kettazhinju

Nenjin midipponnu koodunnuvo
Pullorkudampole thonnunnuvo

Malarum manavum vidarum
Polurum kanavum thalarum samayamith
Aayiram thara deepangalay
Ravorungunnu thrukkarthika

Kasavin ezhakal njeriyum mukile kalikal parayu
