

Ab kaun hai mera  
Ab kaun hai mera  
Ab kaun hai mera  
Dukh dard ne ghera mujhe  
Dukh dard ne ghera  
Ab kaun hai mera  
Hale mere aa pehre madad  
Naam hai tere  
Ab kaun hai mera

Ghar ghar mein ujhala hai  
Sukhi hasi aur dil hai  
Kya ham pe bani hai  
Har dil pe nazar aa raha hai  
Mujhko andhera  
Ab kaun hai mera

Kaun zinda rahe  
Unki bala le ke hotho pe  
Kadmo maru main  
Kadmo maru main  
Kaun zinda rahe  
Unki bala le ke hotho pe  
Kadmo maru main

Kadmo maru main  
Hasrat hai yehi aur yehi  
Ab kaun hai mera  
Ab kaun hai mera

Ek sikvah hai na unse  
Na kaide gila hai  
Sab meri khata hai  
Ek sikvah hai na unse  
Na kaide gila hai  
Sab meri khata hai  
Mehfil mili na dua le  
Mera dil hua  
Ab kaun hai mera  
Ab kaun hai mera
