

Ab ke bahar aayi hai tumhare naam se  
Ab ke bahar aayi hai tumhare naam se  
Masti fizz me hai inhi labo ke jaam se  
Ab ke bahar aayi hai tumhare naam se

Chalti ho jidhar se bhikara ke range badan  
Chalti ho jidhar se bhikara ke range badan  
Tumse milane ko uthi hai shokhe chaman  
Uthte hai hath jaise paheli kalam se  
Ab ke bahar aayi hai tumhare naam se  
Ab ke bahar aayi hai tumhare naam se

Dekha jo tumhe to gulsan pe chhayi gahta  
Dekha jo tumhe to gulsan pe chhayi gahta  
Daman se liptane kadam me aayi gahta  
Bahaki samma tumhari anchal se tham ke  
Ab ke bahar aayi hai tumhare naam se  
Ab ke bahar aayi hai tumhare naam se

Rangi chahere se ab nazare kaise hate  
Rangi chahere se ab nazare kaise hate  
Tumne sar kidi jo mukh se kali late
