

Kuchh to log kahenge
Unka kaam hai kehna
Life apni aur rules kisi aur ke
Yehi maan ke baithe rehna

Duniya jo bole usse ek side rakh
Tere andar ka jaadu usse mat dhak
Dusron ke raaste chalega kab tak
Jab apne rules, tab apna waqt

Logon ki kyun baat sunta
Sapnon ko tere kyun dhakta
Kar faisle khud ke jaari
Ab teri baari

Mann mein hai kyun doubt rakhta
Tu unko na kyun out karta
Parwah khatam karde saari
Ab teri baari

Ab teri baari, ab ab teri baari
Teri life tere rules, ab teri baari
Ab teri baari, ab ab teri baari
Logon ki chhod kyunki ab teri baari

Ab teri baari, ab ab teri baari
Ab teri baari, ab ab teri baari
Ab teri baari, ab ab teri baari
Teri life tere rules, ab teri baari
Kya?

Logon ne bola ke padh likh ke kar le tu naukri
Degree hath mein, dabba sath mein
Logon ko tu jaane de
Farak tu pehchan le
Roka toone khud ko kab se

Dance meri life, mere kadmon mein duniya
Karun Bharatnatyam, ya karun main Zumba
Log kahein mujhe tu kyun b-boying nahi karta
Logon ki chhod kyun ki dance apna apna

Dance apna apna

Jab tak mil payein na

Khud se tab tak karna
Jam ke re koshish tu
Poori har ho khwahish yoon
Jaadu yeh tera re
Jab mil jaayega tujhse
Tab rakhna tu usko
Duniya ke saamne re

Ab teri baari, ab ab teri baari
Teri life tere rules, ab teri baari
Ab teri baari, ab ab teri baari
Logon ki chhod kyunki ab teri baari

Ab teri baari, ab ab teri baari
Ab teri baari, ab ab teri baari
Ab teri baari, ab ab teri baari
Teri life tere rules, ab teri baari

Na dolle na shole, na zor se tu bole
Na bike, na gaadi, na looks mere bhaari
Phir bhi star main, kalakaar main
Brag kam, swag zyada, andar se fighter
Six pack nahi lekin heart mera tiger

Meri chhaati chaudi, bahot dhansu main
Mere saare logon ke bahut paas hoon main
Stadium bhare hain utha ke awaaz
Emotion hain khaas, mera alag andaaz

Sab karke dekha hai maine
Khushiyaan mili din ki sunn ke
Aa tu bhi kar dil se yaari
Ab teri baari
Andar chhupa hai jo tere
Tu baahar usse aane de re
Hai jaag jaane ki baari
Ab teri baari

Yeah yeah!
Suna kya?
Ab teri baari
Teri life, tere rules
Ab teri baari
Chalo phir aata hoon main haan!.
