

Ek zindagi mein kitne saare sawalo ko dhundhu ga
 Neki kar k mujhe kya mila aab main khuda se mil k puchu ga
 Dard kyu main sahu kyu main chup k rahu
 Khamoshi naa kamjori meri
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye dil ki kirpa gol
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye band darwaje khol
 Dard kyu main sahu kyu main chup k rahu
 Khamoshi naa kamjori meri

Ineh se puchta rahu
 Kab main jiu ga khud k liye
 Har dum mujhe bas thokre lagi
 Par uth dodh ne mein mujhe zindagi mili
 Uhhi nahi koi samjha mujhe
 Kehna paya jo kehna mujhe

 Dard kyu main sahu kyu main chup k rahu
 Khamoshi naa kamjori meri
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye dil ki kirpa gol
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye band darwaje khol

Main sunnta raha main sehta raha
 Marne ki jagah main jita raha
 Rishto ki kadhi mein esa fassa
 Apno mein kahi gumh hota raha
 Kamjor na tha majbur raha
 Duniya k liye ik khel bana
 Khud se Idda lehro ki tarah
 Bas behta raha lehro ki tarah
 Dard kyu main sahu kyu main chup k rahu
 Khamoshi naa kamjori meri
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye dil ki kirpa gol
 Ab tu bol duniya ki chinta chodh
 Ab tu bol ye band darwaje khol.
