

Ye tere pyar ka kaisa hua asar
Dekhu jidhar jidhar aaye tuhi nazar
Ab tumse chhup chhup ke milna
Acha lagta hai
Hum deewane ho
Jayenge aisa lagta hai
Ab tumse chhup chhup ke milna
Acha lagta hai
Hum deewane ho
Jayenge aisa lagta hai

Nazar milake nazar churana
Acha lagta hai
Hum deewane ho
Jayenge aisa lagta hai

Ji chahe tumse tumko churake
Door kahi le jaye
Apne labo pe tumko sajake
Hum rat din gun gunaye
Chalta rahe yuhi
Ye dil ka karwa
Yuhi rahe sada apni chahat jawa
Ab tumse chhup chhup ke milna
Acha lagta hai
Hum deewane ho
Jayenge aisa lagta hai
Nazar milake nazar churana
Acha lagta hai
Hum deewane ho
Jayenge aisa lagta hai

Baho me lelu julfo se khelu
Arman machalne lage hai
Badhti hi jaye ye bekarari
Hum tum bahakne lage hai
Ye mere raat din
Tere hue sanam
Tere bina nahi jina teri kasam
Ab tumse chhup chhup ke milna
