

Ab yeh bata jaayen kahan  
Kismat ke thukraye hue  
Gum se ghabraye hue  
Jine se uksaye hue  
Ab yeh bata jaayen kahan

Rashta anjan manzil ka  
Pata kuchh bhi nahi  
Apni rah me andhere ke  
Siwa kuchh bhi nahi

Gum ke hai ghanghor badal  
Dur tak hai chhaye hue  
Ab yeh bata jaayen kahan  
Yeh bata jaayen kahan  
Ab yeh bata jaayen kahan

Apne armano ka lut ta  
Karwa dekha kiye  
Aashiya jalta raha hum  
Bejuba dekha kiye

Chand aansu rah gaye  
Palko pe tharraye hue  
Ab yeh bata jaayen kahan  
Yeh bata jaayen kahan  
Ab yeh bata jaayen kahan

Kya yahi duniya hai eye  
Duniya ke rahkwale bata  
Kya yahi insaf hai eye  
Aasma wale bata  
Ji rahe hai saikdo  
Jine se sharmaye hue

Ab yeh bata jaayen kahan  
Ye bata jaye kahan  
Ab yeh bata jaayen kahan

Ab yeh bata jaayen kahan  
Ksimat ke thukraye hue
