Abcd amg

Kaun tera baap?

All hail double gg

Life was a bitch isiliye badaldi

Jo sahi mein thi bitch woh nahi sambhalti

Rehndo rehndo mai hoon track pe rambo

Gaane bajte jaise bajte banjo

Tum bharti laambi hum bharte lambo

Ghanti bajte aur jalte candle

Too blessed to handle too rich to gamble

Rap mein career kaun? Main example

Inki baate saari cap saale dhakan

Naam hum rap game ke nana gaane ab tak ke chhappan

Show pe nahi mosh-pit yaha hojata visarjan

Bech denge rapper log ko 200 rupaya darjan

Haath mein jabhi pen matlab bambai mere sar par

Pass apne tour kuch rapper log hai ghar par

Hum collar nahi pakad pakadte lete gardan

Family ka burden tu family pe burden

Ladke hood ke likhari

Sahi mein shikari

Aisa karte rap ab public patte tikari

Gg boys

Apne khoon mein siyahi

Naam bura kyunki kaam vaisa kiya hi

Bombay sea-link touch karte us pe

Sammohit likhta aisa vahi uska usp

Kitne gaane bheje mein bhara usb
Sapne dekhu kaise nahi
Yeh sheher ka view aisi
Meri gully mera pr
Agli deal cr
Sher apan street pe yeh bade lagte siyaar

Yo sharam kar
Neeche baith upar dekh
Ache karam kar
Nirmala tai number uthte mere kalam par
Teri bandi paani tabhi girti badan par
Hume deti sar tu karta sar andar
Flow mera sick! Tu saala jal andhar

Abhi rickshaw lagti whip nahi
Khula muh ab zip nahi
Hum pop nahi karte iska matlab dete trip nahi
Tu chhoda sirf game ko kiya kabhi grip nahi
Murghiyan halal yahan pe chase karte chicks nahi

Rap nahi saregama tabhi dete tips nahi
Pork ho ya poker hum lete kabhi chip nahi

Kawale se paani tune dekha itna drip nai
Mother - fucker kasar asar safar hum se mat fuck kar
Chal be shakkar!
High hook high hook high high
Lagta nahi hai hook sab hai bhai bhai
Choli ke...
High hook high hook high high
Lagta nahi hai hook sab hai bhai bhai

Ra ra ra ra ra ra
Araamse
