

Abhi abhi bahar thi abhi abhi bahar thi
Cha gayi fiza dar bhari aankho se
Dard bhari aankho se ashk hai rawa
Abhi abhi bahar thi

Chod diya garib ko bulbule badnasib ko
Chod diya garib ko bulbule badnasib ko
Gamo ke jhoke aa gaye
Gamo ke jhoke aa gaye
Lut gaya hai gulsita
Abhi abhi bahar thi

Bijliya jala gayi aandhiya mita gayi
Bijliya jala gayi aandhiya mita gayi
Dekhte hi dekhte
Dekhte hi dekhte jal gaya hai aashiya
Abhi abhi bahar thi

Tujhko jafa pe naz hai
Tujhko jafa pe naz hai
Mujhko wafa pe naz hai naz hai
Mai to kahi na jaungi
Mai to kahi na jaungi
Chod ke tera aasra
Abhi abhi bahar thi
Cha gayi fiza dar bhari aankho se
Dard bhari aankho se ashk hai rawa
