

Ishq de raste bade pathreele
Kade chube kacch
Kade chubde ne teele
Seene vich hoonk uthe rooh tak jaaye
Dard bada roya, dard bada hoya

Abhi abhi dil toota hai
Abhi abhi khawab mein
Daraarein padi hain
Abhi abhi saaya rootha hai
Abhi abhi haath se
Lakeerein giri hain

Zindagi naraaz hui, halki si awaaz hui

Toota hai kuch apne darmiyaan
Faaslon ki chot lagi,
Jab dil ko mehsoos hui
Palakon pe hain chaayi badliyan

Abhi abhi dil toota hai
Abhi abhi khawab mein
Daraarein padi hain
Abhi abhi saaya rootha hai
Abhi abhi haath se lakeerein giri hain

Aankhon mein baarishein hain,
Badal ki saazishein hain
Ya pyaar ki hai saza
Murjhaayi khwaishein hain,
Gham ki rihaishein hain
Mujh mein bacha hai aur kya

Kaanch si lage hawa,
Aanch si lage subha
Chubhti hai yeh mujhko dooriyan

Abhi abhi dil toota hai
Abhi abhi khawab mein
Daraarein padi hain
Abhi abhi saaya rootha hai

Abhi abhi haath se lakeerein giri hain

Dil ke hain saaye tanha,
Kaise jeeyun yeh lamha
Yeh waqt mujhse hai khafa
Kya baaki reh gaya hai,
Sab kuch toh beh gaya hai
Hai khali khali raasta
Saans hai bujhi bujhi,
Har khushi dabi dabi
Dard mein hai dooba yeh samaa

Abhi abhi dil toota hai
Abhi abhi khawab mein
Daraarein padi hain
Abhi abhi saaya rootha hai
Abhi abhi haath se
Lakeerein giri hain.
