

Abhee abhee jo tu aayee hai, abhee abhee khushee aayee hai  
Abhee abhee asar laayee hai duwa  
Kabhee rahe najar sehamee see  
Kabhee rahe galat fehmee see  
Kabhee kabhee lage kuchh bhee naa huwa  
Milane lagee gale, rishto kee yeh jamin  
Aankho me aagayee, khushiyo kee yeh namee

Dil me hilane lagee hai, patthar kee jubaan  
Yeh bhee karne lagee hai, haale dil baya  
Hain aaj koyee, yaado kee jhil me  
Par woh nahee hai, teree jaagir me  
Ho o kabhee kabhee wafa motee hai  
Kabhee diya kabhee jyotee hai  
Kabhee kabhee dubo detee hai  
Jaan kabhee kabhee rulaatee bhee hai  
Kabhee kabhee hasaatee bhee hai  
Kabhee kabhee jaga detee armaan

Chhup ke se kaun tere, dil me aa gaya  
Hai pehalee baar tujhko, koyee bha gaya  
Usakee hee yaad me, abb tu khone lagee  
Khulee khulee aankh me sapane bone lagee  
Dil chaahe teraa udd jaaye tu kahee
