

Aate ho satane ko jate ho rulane ko
Is aane ko kya kahiye is jane ko kya kahiye
Abhi na fero najar jindagi sawar to le
Ke dil ke shishe me hum aapko utar to le
Abhi na fero najar

Karib aake jara kismat jaga lene do
Karib aake jara kismat jaga lene do
Chamakate rukh se koi jalwa chura lene do
Ke hum bhi pyar ke din jhum ke gujar to le
Ke dil ke shishe me hum aapko utar to le
Abhi na fero najar

Mere chaman me koi aaya bahare leke
Mere chaman me koi aaya bahare leke
Jawa najar me mohabbat ki fuhare leke
Ab in baharo se hum gulsita nihkar to le

Ke dil ke shishe me hum aapko utar to le
Abhi na fero najar

Tere deewane teri ulfat liye baithe hai
Tere deewane teri ulfat liye baithe hai
Taraste dil me yahi hasrat liye baithe hai
Ke apna kahke kabhi aapko pukar to le
Ke dil ke shishe me hum aapko utar to le
Abhi na fero najar jindagi sawar to le
Ke dil ke shishe me hum aapko utar to le
Abhi na fero najar.
