Abhi to mohabbat ka aaghaaz hai
Abhi to mohabbat ka aaghaaz hai
Abhi to mohabbat ka anjaam hoga
Bada dil nasheen tera andaaz hai
Bada dil nasheen tera andaaz hai
Bada khoobsurat tera naam hoga
Abhi to mohabbat ka aaghaaz hai

Yeh aankhen yeh palkein
Yeh bindiya yeh kaajal
Yeh choodi yeh kangna
Yeh jhumke yeh paayal

Aah aah aah aah
Badi hi sureeli yeh aawaaz hai
Badi hi sureeli yeh aawaaz hai
Isse sunke dil ko bhi aaraam hoga
Abhi to mohabbat ka aaghaaz hai
Abhi to mohabbat ka anjaam hoga
Abhi to mohabbat ka aaghaaz hai

Yeh masti adaa ki yeh
Zulfon ki khushboo
Yeh honton ki laali
Yeh baaton ka jaadu

Aah aah aah aah

Deewane sabhi tere mohtaaj hai
Deewane sabhi tere mohtaaj hai
Koi na koi tera gulfaam hoga
Abhi to mohabbat ka aaghaaz hai
Abhi to mohabbat ka anjaam hoga
Bada dil nasheen tera andaaz hai
Bada khoobsurat tera naam hoga

Abhi to mohabbat ka aaghaaz hai
Aah aah aah aah.
