Ki fayda nazran da je teri deed haini
Je tera sath miley methon koi ameer haini
Bharatlyrics.com
Tere ilava hor kise de kareeb haini
Tu hoven juda mere nalon eh umeed haini

Labhe o mainu kiven ho ja nazran ton parey
Hunda ni zahir ohde kolon ese gallon darey
Khadi eh gall tan hi aap ton si hanji tak
Sara kuj kahe mera naam hi na lendi bas

Vakif zamane da tan shuru ton hi ghat si main
Ohne hi katha kita bikhreya kach si main
Hath agge kar ohne khich leya kol mainu
Aokha si nerhe aona jinni door tak si main

Rabb nu guroor hona rabb ne banayi hoyi ae
Lo jiven deeveyan di kandha te sajayi hoyi ae
Ohde chon oh ae kinne meri kiven dasan main vi
Haske bulawe bas inni ku kamayi hoyi ae

Ki fayda nazran da je teri deed haini
Je tera sath miley methon koi ameer haini
Tere ilava hor kise de kareeb haini
Tu hoven juda mere nalon eh umeed haini

Main wjah bann javan bas ohdi saadgi di
Ohdi khushi te naale ohdi narazgi di
Akhan da roshan hona pyar da saboot hove
Dukh ohnu hunda koi kyun mainu mehsoos hove

Har gall khas main banonda rava ohde layi
Pyar jinna koley main jataonda rava ohde layi
Badlan nu parey hona penda jadon hath jorhe
Rabb tak pahunch ohdi raza rabb kiven morhe

Main khali panne wang utte likhi shayari oh
Main likha khaab mere jide utte diary oh
Beh jandi kol jadon dil haola kar lena

Oh parhe dunia main ohdi akh parh lena

Rave sikhonda rava sikhda main bhullan ton
Haase ne ohde ditte aaonde jehre bullan ton
Mila main kol khada jadon ohnu lorh pavey
Dunia na dikhe jadon ohde utte gaur pavey

Roohdaari ishq ae sheh maarhi moti kithe
Sajna da roz nerhe aaona gal choti kithe
Din charhe miley ohde naal hi dupehar jaave
Turey jadon naal lagge sama ethe thehar jaave
