Saade khaatein aaj waise ek de  
Yaar goriye ni saathon  
Jealousy na hate milu  
Pyaar goriye ni saade

Baghiyaan na rarde  
Bharatlyrics.com  
Bachar goriye ni aatan  
Aad de niya bila yeh baar goriye  
Milimeter goth te phooti baan te thandi

Dab na par ke gun paal di  
Dhiru baad bech mann ni jan hoon  
Ninat chadaunde jan ke kaun  
Nijir te kithe tak maar goriye ni

Saade khaatein aaj waise ek de  
Yaar goriye ni saathon  
Jealousy na hate milu  
Pyaar goriye ni saade  
Baghiyaan na rarde  
Bachar goriye ni aatan  
Aad de niya bila yeh baar goriye

O naa de paleri laine  
Thokiyaan kaila phi laine  
Mude nitmitraan de lage rehn mele  
Saad na gu chamche na thaliyaan na chale  
Naalpure lichir de jine alvele  
Maud khore kithe kadhuan je kede bile

Bhaapi maare jo o azibi te  
Yaar goriye ni saade  
Saade khaatein aaj waise ek de  
Yaar goriye ni saathon  
Jealousy na hate milu  
Pyaar goriye ni saade  
Baghiyaan na rarde

Bachar goriye ni aatan  
Aad de niya bila yeh baar goriye

Dekh de na chokh de na dab de  
Mitra ne door chatti raab te  
Pata minu jede bichon bichin lagde  
Keda chane choga vaim kandu saavde

Yaataan hoke aun base de  
Seri no pharke isaap mirde  
Mai ka jatt mein chakle jitte  
Dekhi khenj pulvaon gidhe naale  
Jatt kite chhatt de  
Shikar goriye ni

Saade khaatein aaj waise ek de  
Yaar goriye ni saathon  
Jealousy na hate milu  
Pyaar goriye ni saade  
Baghiyaan na rarde  
Bachar goriye ni aatan  
Aad de niya bila yeh baar goriye

lyrics

Yes sir kule bilu karchi hai labh  
Yes sir mil diye drill muna saab  
Yes sir koi bina kam sara ab  
Yes sir mal khane kuto hunde yes sir

Kaalein ereh aanch  
Kaalein jeeshe black pants  
Drip guchi kade fandi kade wet's man's  
Kharchi bandi ko so door rakh yes man's  
Chhattein aariyaan nil honda investment

Smoke meet raha na paal de jo dead cents  
Charo pahse aise kir gayne dead ant's  
Teri hood meri hood chahiyein phark bada  
Das saal de ne aanein saade black belts

Beg totiyen chhudeyin chande  
Rakha word poore fire very thande

Gyara bara to chadai poore daas saal  
Kem hoi vem hoi kem hoi bande

Jade firde marod den muchha  
Badi shetiyan ch kouniya main poosha  
Jade sade bare ponk di khateer firdi  
Vekh kar kar pejne main lande

Dabi chandi te maal bhi kandr da  
Aankh chadi yeh saroor saver de  
Haan ki kherda main hentiyan de sirana  
Te lati nu aana wali wal kherda

And hentiyan nu vekh vekh dandala  
Daba jatiye tu chek kar terda  
Jade kamanu hai lokibar bhajde  
Munda jaan jaan ona nu ni chherda yes sir
