

Achha bura jaane khuda
Hum se hua jo humne kiya
Achha bura jaane khuda
Hum se hua jo humne kiya
Iss duniya se kuch humne liya
Iss duniya ko kuch humne diya
Achha bura jaane khuda
Hum se hua jo humne kiya

Achha bura jaane khuda
Hum se hua jo humne kiya

Kitna bada yeh sara jaha
Chhoti se apni basti yahan
Kitna bada yeh sara jaha
Chhoti se apni basti yahan
Logo si itni kismat kaha
Logo mein hum si himmat kaha
Amreet milana humko magar
Hans ke zaher bhi humne piya
Achha bura jaane khuda
Hum se hua jo humne kiya
Achha bura jaane khuda
Hum se hua jo humne kiya

Puchho na yeh kya karte hain hum
Kaise kahe such darte hain hum
Puchho na yeh kya karte hain hum
Kaise kahe such darte hain hum
Chhote bade sab insaano ko
Thoda barabar karte hain hum
Thoda amiron se le liya
Thoda garibon ko de diya
Achha bura jaane khuda
Hum se hua jo humne kiya
Achha bura jaane khuda
Hum se hua jo humne kiya
Iss duniya se kuch humne liya
Iss duniya ko kuch humne diya
Achha bura jaane khuda

Hum se hua jo humne kiya
Achha bura jaane khuda
Hum se hua jo humne kiya.
