---

Adadaa thirudaa thirudaa  
Yedho aanen irudaa  
Enakkul thunaiyaa irundhaal  
Vaazhkkai neelum adadaa

Edhukaaga unna paathadhumae  
Maatikittenae  
Edhir kaathi varum kaagithamaai  
Maari ponene

Imaikaama unna paarthida than  
Pazhagivittenae  
Ninaikaama oru naalum illa  
Kaadhalichene

Konjama thikkudhu thikkudhu  
Unna mattum suthudhu suthudhu  
Ullam than kathudhu kathudhu  
Enna seiven daa

Ennamo pannudhu pannudhu  
Ennam ellam minnudhu minnudhu  
Un sirippu alludhu alludhu  
Eppadi solven daa

Manasa nee izhukkura  
Un sirippa nozhaikkura  
Nenappula eluthuren  
Naanum un peraa

En usira vidavum osathiyaana  
Oruthan enakku nee dhaan  
En idhayam mulusum unaiyae alasum  
Rasikkiren naan dhaan

Un koodave nee koottitu poo  
Thavichen un thol saera

Konjama thikkudhu thikkudhu

Unna mattum suthudhu suthudhu  
Ullam than kathudhu kathudhu  
Enna seiven daa

Ennamo pannudhu pannudhu  
Ennam ellam minnudhu minnudhu  
Un sirippu alludhu alludhu  
Eppadi solven daa

Edhukaaga unna paathadhmae  
Maatikittenae  
Edhir kaathi varum kaagithamaai  
Maari ponene

Imaikaama unna paarthida than
