Udeekan ne raahan te baahan nu  
Baithe banere jo kaavan nu  
Jhoothi na khaavan main sonh teri  
Dil nu je milje panaah meri

Alrhe ni teriyan adaawan ni  
Eh zulfan ghatavan ni  
Main hath na hatavan ni  
Ki dasan mar jaavan ni

Alrhe ni teriyan adaawan ni  
Te zulfan ghatavan ni  
Ki dasan mar jaavan ni  
Te hath na chudawan ni

Tere haaseyan te tiki meri akh ni  
Te nakhre te reha koi shak ni  
Main suneya tu aashiqan de dil torhdi  
Zara kaatil nigaahan thoda dakk ni

Kado te kinna haan kithe te kiven  
Hoyea mainu tere naal pyar  
Kise kise nu hi jachde aa haar te shingaar  
Par tere naal jachdi bahaar

Dasdi tu sohniye salaah karke  
Rahi na kise kolon darr ke  
Main rakh du sawaah karke  
Eh jag nu salaahan ni

Alrhe ni teriyan adaawan ni  
Te zulfan ghatavan ni  
Te hath na chudawan ni  
Ki dasan mar jaavan ni

Alrhe ni teriyan adaawan ni  
Eh zulfan ghatavan ni  
Main hath na hatavan ni  
Ki dasan mar jaavan ni

Loran ne moran te choran nu  
Panchi vi bhore te horan nu  
Eh jo hashar tera asar hai  
Koshish meri kasar hai

Nerhe hoke rabb sunnda ae teriyan  
Tere kehan utte paonda kaniyan  
Chade chann tenu vekhne nu ni  
Tere karke hi shaaman dhaliyan

Alrhe ni teriyan adaawan ni  
Eh zulfan ghatavan ni  
Main hath na hatavan ni  
Ki dasan mar jaavan ni

Alrhe ni teriyan adaawan ni  
Te zulfan ghatavan ni
