

Adheeraa Song Lyrics

Dheeraa dheeradhi dheeraa
Thuppakki mandhira
Samar seyyum chandhira
Yugam vella vandheeraa

Oara yiram pudhira
Anu ulayin udhira
Min gaandha kadhira
Dheeraadhi dheeraa

Ivan thottaakal vilayaattil
Jeipadhae vidhiyaagum
Ivan thottathil thuppakki
Chedigal poovagum

Adheeraa adheeraa
Un roobam pala nooraa
Oru moochil aalai allum edhayum
Vellum mooga

Hey... Soora hey soora
Adangadha adhigaara
Oru moochil aalli allum
Edhiyum vellum

Hey pull on the up scene
Calculating things you'd never think
Evaluating keys to all the peace
Cuz he be waiting years for the ease

So let me tell you
Why they always call him cobra!
Killer instincts and he dont need no love
He will always slide in silence till it's over
Not a man of violence
But he never need to look over his shoulder
C-c- cobra

Nee oruvan alla iruvan
Andha iruvanum ingai oruvan
Un iruvaril nallavan oruvan
Adhai meeriya vallavan oruvan

Un ullae irupavan manidhan
