

## Adhirudha Song Lyrics

---

Adhirudha nenjam athiranum maame  
Padharudha ulla padharunmda  
Odharutha kaalu utharanum maame  
Varuvathu annan antony da

Adada ivana jegadam  
Enemy ellam gone nu  
Seerum sirappa mudiyum  
Sabavam scene nu

Nee thagarar koduthaa  
Pullingo attack mode on nu  
Evanum maraika mudiyaathe

Adhirudha nenjam athiranum maame  
Padharudha ulla padharunmda  
Odharutha kaalu utharanum maame  
Varuvathu annan antony da

Podu hey podu  
Podu hey podu

Thol kudutha mudhaugil kuthum ooru  
Per panam ser poweroda mele yeru

Gangukula kuzhi  
Parippaan usara iru  
Avan thonduna  
Kuzhiyila maatikkuvaan  
Konja naal poru

Nee viswasiya  
Kooda iruntha  
Heartula vaipan  
Nee vitha kaatta  
Mudiyathu  
Naan un gopanukku  
Appan

Adada ivana jegadam  
Enemy ellam gone nu  
Seerum sirappa  
Mudiyum sabavam scene nu
