

## Adi Adi Song Lyrics

---

Adiye pombala pulla  
Adiye ambala pulla

Adi adi odambu ettadi  
Aadi paadi pozhuthum kottu adi  
Nadiyathu adangum varaiyil  
Nadagam podunga nalla padi

Uyirathu poranthathu eppadi  
Kadaiyil mudivathu eppadi  
Karanamtha arinja manushan  
Kaavadi thookkuvathu illaiyathadi

Thottathum vittathum  
Ethanai ponnunga kanakku vekkhalaya

Kottaiyum pattaiyum  
Nethiyil ittume usuru thangalaye

Panjamum vanjamum  
Engala kolluthu padikka pogalaye  
Parambai uzhaipula pasiyum theeralaye

Adi adi odambu ettadi  
Aadi paadi pozhuthum kottu adi  
Nadiyathu adangum varaiyil  
Nadagam podunga nalla padi

Uyirathu poranthathu eppadi  
Kadaiyil mudivathu eppadi  
Karanamtha arinja manushan  
Kaavadi thookkuvathu illaiyathadi

Naattu sarakkum seema sarakkum  
Potta piragu onnu  
Kaattu sirukku kundhanikku  
En mela than kannu

Ootta veedu onbathu vaasal  
Neeyum naanum veththu  
Maaman madiyil saanji padukka  
Vehnam verai soththu

Naalu kelama nalla irukku

Naattu nelama sonna vazhakku  
Ooru sanamum onna irukku  
Sapparathula yethuda

Kannadi paadhi kalladi paadhi  
Pattathu naanga niththamum yenga  
Sattunu vaanga sangadam theerka  
Maru porappa neenga

Adi adi odambu ettadi  
Aadi paadi pozhuthum kottu adi  
Nadiyathu adangum varaiyil  
Nadagam podunga nalla padi

Uyirathu poranthathu eppadi  
Kadaiyil mudivathu eppadi  
Karanamtha arinja manushan  
Kaavadi thookkuvathu illaiyathadi

Punniya vaanathu pugazhu serattum  
Odhungi nillungada  
Pullaiyum kuttium kaalamum vaangida  
Kavanthu pannungada

Ponathu pogatum santhadhi vaazhathum  
Moottaiya kattungada  
Thalamurai thalaiyedukka  
Paadhaiya maathungada.
