

## Adirindey Song Lyrics

---

Adirindey pasi gundey  
Tagilinde high volt ye  
Five eight height unna  
Piduge padine

Adirindey pasi gundey  
Tagilinde high volt ye  
Five eight height unna  
Piduge padine

Matthulo unnana  
Kotthaga puttana  
Kaaranam neevena  
Jaane jaana

Ventapadi chasthunna  
Entha premisthunna  
Choopava na paina  
Konchemaina

Dayaleni daanivi nuvvu  
Maga jaathiki haanive nuvvu  
Naa pakkana ranivi nuvvu  
Oka chance ivvu

Kudirinda kiss o tivvu  
Kosarantu hug o tivvu  
Mantekkite laagotivvu  
Edotivvu...

High speed-u shot lona  
Nee pedale choosthunte  
Emaindo okkasari  
Lokamantha freeze ayinde

Nee mundu moon light-u  
Telipoyi dim ayinde  
Naademo praanamantha  
Light weight ayi telinde

Paipaiki pose lunna  
Nijamule naa prema  
Pommanna pone podu  
Needega ee jhanma
