

Suche moonh si main nahaundi  
Boohe wich kes sukaundi  
Akar te parda pe geya  
Ve dhaari banh surma paundi  
Mera insaaf karin  
Bhul gyi main ghund kadhna  
Jetha ve maaf kari  
Bhul gyi main ghund kadhna

Nange moonh kolon langhe  
Vatti ghori na khanghi  
Dhidh wich main ladoo bhoran  
Vyi choti bhabhi ta changi  
Takk lyi jee bharke ni  
Adhiye da nasha chad geya  
Darshan tere karke ni  
Adhiye da nasha chad geya

Sheeshe de moohre hoke  
Baithi si aap muhaari  
Reh geya si booha khulla  
Ve bhul gyi band karni baari  
Chaan chak gal vapri  
Chaan chak gal vapri  
Thargi main aap khadi  
Bhul gyi main ghund kadhna  
Jetha ve maaf kari  
Bhul gyi main ghund kadhna

Ho main ki tere pattle gongloo  
Ni chori da baaka hunda  
Ranna da kuch ni ghatda  
Chadeyan da jhaaka hunda  
Main ki tere bhoond lada ta  
Baithe dar dar ke ni  
Adhiye da nasha chad geya  
Darshan tere karke ni  
Adhiye da nasha chad geya

Hathan chon ud gaye tote
