

Burning on, like the sun
Make them burn, make them run
No control in their hands
Burning fire, he is a man
Burning on, like the sun
Make them burn, make them run
No control in their hands
Burning fire, he is a man

Aage chalu mein sadha
Yeh hi hai meri adha
Dont wanna be looking behind
Manzil ke rahon mein hu
Sab hi nigahon mein hu
I'm on the move all the time

Main jao jidhar bhi
Yeh ambar yeh dharthi
Kahe mujhe pukar ke
Ae aa o, walk along
Ae aa o, come along
Ae aa o, sing along
Comon together
We rockin the city now
Ae aa o, come along
Ae aa o, walk along
Ae aa o, sing along
Comon together
We rockin the city now

Hez on, hez on fire
Hes gonna take you higher
Hez on, hez on fire
Hes gonna take you higher
Ohhooo ohhooo ohhooo

Yeh pal aawara hai
Ab tho hamara
Kab aaye dubara
Oh we dont know

BHARAT

Iske khazane se
Sapne churane ka
Apna irrada hai
Here we go

Kab aaye dubara
Oh we dont know we dont know
Iske khazane se
Sapne churane ka
Apna irrada hai
Here we go here we go

Yeh ambar yeh dharthi

Dil me udhane hai

Mauje rafani hai
Baaki beimani hai
Let us go

Main jao jidhar bhi
