

Aye bas ab tarsana chodo
Yuhi sharmana chodo
Bas ab tarsana chodo
Yuhi sharmana chodo
Jo dil me pyar ka tufan hai
Hum jan gaye hai
Jo dil me pyar ka tufan hai
Hum jan gaye hai

Hame bahkana chodo
Ji piche aana chodo
Hame bahkana chodo
Ji piche aana chodo
Tumhe jis chiz ka
Arman hai hum jan gaye hai
Tumhe jis chiz ka
Arman hai hum jan gaye hai

Itna nikhar ke koi aaye
To hai aaye kisi ke lubhane ko
Tanha kisi ko koi paye
Na machale gale se lagane ko
Kitna chhupaye teri jhukti nigahe
Ye kiske katal ka saman hai
Ham jan gaye hai
Ye kiske katal ka saman hai
Ham jan gaye hai
Hame bahkana chodo
Ji piche aana chodo
Tumhe jis chiz ka
Arman hai hum jan gaye hai

Chedo na hamko hato jao
Tumhe aisa na tha hamne jana
Chedo na hamko hato jao
Tumhe aisa na tha hamne jana
Chodo bahane aji aao
Bhala apno se kaisa sharmana
Pakdo na aachal mera
Jakdo na bahe

Ke jitni aapse pahchal
Hai hum jan gaye hai
Ke jitni aapse pahchal
Hai hum jan gaye hai
Bas ab tarsana chodo
Yuhi sharmana chodo
Jo dil me pyar ka tufan hai
Hum jan gaye hai

Karni hai tumse kayti bato
Wo jo kano ke kahne wali hai
Karni hai tumse kayti bato
Wo jo kano ke kahne wali hai
Janu mai janu sabhi jate
Jo hai chahe jo dekho bhali hai
Julfo ke niche dedo dil ko panahe
Ye muskil kis kadar
Asan hai hum jan gaye hai
Ye muskil kis kadar
