

Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi  
Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi  
Aye bhai

Tu jahaan aaya hai wo tera  
Ghar nahin gaanv nahin  
Gali nahin kuchaa nahin  
Rastaa nahin basti nahin  
Duniya hai aur pyaare  
Duniya yeh ek sarakas hai  
Aur is sarakas men  
Bade ko bhi chote ko bhi  
Khare ko bhi khote ko  
Bhi mote ko bhi patale ko bhi  
Niche se upar ko upar se niche ko  
Baraabar aana jana padta hai  
Aur ring maastar ke kode  
Par kooda jo bhukh hai  
Kooda jo paisaa hai  
Kooda jo qismat hai  
Tarah tarah naach kar  
Dikhana yaha padta hai  
Baarbaar ronaa aur  
Gana yaha padta hai  
Hiro se jokar ban jana padta hai  
Hiro se jokar ban jana padta hai

Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi  
Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi

Upar hi nahin niche bhi  
Aye bhai

Girane se darta hai kyon  
Marane se darta hai kyon  
Thokar tu jab na khayega  
Paas kisi gam ko na  
Jab tak bulayega  
Zindagi hai chiz kya  
Nahin jaan paayegaa  
Rotaa huaa aaya hai  
Rotaa chala jaaegaa  
Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi

Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi  
Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi  
Aye bhai

Kaisa hai karishmaa  
Kaisa khilavaad hai  
Jaanavar aadami se  
Zyada vafaadaar hai  
Khaataa hai kooda bhi  
Rahataa hai bhukhaa bhi  
Phir bhi wo maalik par  
Karataa nahin vaar hai  
Bharatlyrics.com  
Aur insaan yeh maal  
Jis kaa khaataa hai  
Pyaar jis se paataa hai  
Git jis ke gaataa hai  
Usi ke hi sine men  
Bhokataa kataar hai

Aye bhai zara dekhake  
Chalo aage hi nahin pichhe bhi

Daayen hi nahin baayen bhi  
Upar hi nahin niche bhi  
Aye bhai

Sarakas ha haa ha  
Haan baabu yeh sarakas  
Hai sho tin ghante kaa  
Pahalaa ghantaa bachapan  
Hai dusaraa javaani hai  
Tisaraa budhaapaa hai

Aur usake baad  
Maan nahin baap nahin  
Betaa nahin beti  
Nahin tu nahin  
Main nahin kuchh bhi  
Nahin rahataa hai  
Kuchh bhi nahin rahataa hai  
Rahataa hai jo kuchh wo  
Kaali kaali kursiyaan hain  
Kaali kaali taambu hai  
Kaali kaali gheraa hai  
Binaa chidiya kaa baseraa  
Hai na tera hai na meraa hai.
