

Ae haseeno naazneeno
Ae haseeno naazneeno, mai aa gaya hu
Lo dil sambhalo banke badal aasma pe
Banke badal aasma pe mai chha gaya hu
Lo dil sambhalo, ae haseeno naazneeno

Gulshan gulshan mehfil mehfil
Mere charche aam hai charche aam hai
Shayar aashiq deewana ye sare mere naam hai

Mere naam hai, aapne bat ye aazmai nahi
Unko phir rat bhar nind aayi nahi
Jinko apni ek gajal mai
Jinko apni ek gajal mai suna gaya hu
Lo dil sambhalo, ae haseeno naazneeno

Phir mai aana chahu to hargij
Na aane dijiye na aane dijiye
Ab mai jana chahu to mujhko
Na jane dijiye na jane dijiye
Kyo ki zahara zabhino ka dil todke
Jab gaya hu mai mehfil koi chhodke
Sabke dil me yaad apni haye
Sabke dil me yaad apni basa gaya hu
Lo dil sambhalo, ae haseeno naazneeno

Dekho dekho baato baato me
Afsana ban gaya afsana ban gaya
In zulfo ka in aankho ka
Mai deewana ban gaya
Deewana ban gaya
Aise daman chhudane se kya fayada
Ab nigahe churane se kya fayada
Banke kajal mai nazar me,
Banke kajal mai nazar me sama gaya hu
Lo dil sambhalo, ae haseeno naazneeno.
