

Ae mere des  
Chal loon main teri zameen par  
Ae mere des  
Daudu teri raahon par

Machal loon main hawaaon mein  
Udano mein, aasmano mein  
Jee loon main ujaalon mein  
Kho jaaun tere khayalon mein

Tu jaan hai meri shaan hai

Tu hi toh hai pehchaan haan  
Teri aawaaz ko aagaaz doon  
Bas tere liye main kuch kar dikhaun

Vande mataram...  
Vande mataram...

Ho...

Gaaun mein inn dariyon mein  
Naach loon galiyon mein

Gaaun mein inn dariyon mein  
Naach loon galiyon mein  
Mehak main jaaun khushboo mein  
Behak jaaun rangon mein

Machal loon main hawaaon mein  
Udano mein, aasmano mein  
Jee loon mein ujalon mein  
Kho jaaun tere khayalon mein

Tu niha hai, tu nishaan hai  
Tu hi toh armaan mera  
Tere naam pe naaz karun  
Bas tere liye main kuch kar dikhaun

Vande mataram...  
Vande mataram...
