

Ae meri dil aisi kya hai mushqil
Rasta yehi hai hai yahin pe manzil
Keh de hai tujko unse pyaar
Keh de na na sharmana
Keh de na na ghabrana
Keh de usey jaane jaana
Ae mera dil aisa kya hai mushqil
Rasta yehi hai hai yahin pe manzil

Dilbar hai noorani hai, lagta dil ka jaani hai
Satrangi baaten uski, baaton mein bechaini hai

Shaayed hai intezaar mein, mere hi intezaare
Keh de hai tujko unse pyaar
Keh de na na sharmana
Keh de na na ghabrana
Keh de usey jaane jaana
Ae mera dil aisa kya hai mushqil
Rasta yehi hai hai yahin pe manzil

Sajda karta hai mera, jaanam aisa hai mera
Dekho to ye dildaari, kaisa rehbar hai mera
Behad usey mujse pyar hai, ulfat mein bekarar hai
Keh de hai tujko unse pyaar
Keh de na na sharmana
Keh de na na ghabrana
Keh de usey jaane jaana
Ae mera dil aisa kya hai mushqil
Rasta yehi hai hai yahin pe manzil
Ae mera dil aisa kya hai mushqil
Rasta yehi hai hai yahin pe manzil.
