

Mujhe jab apni gujari
Zindagani yaad aati hai
To bas ik mehrban ki
Mehrbani yaad aati hai

Ae mere dost ae mere humdum
Mere mohosin mere karam farma
Wo mera gham tha yah
Khushi meri har jagah
Tune mera sath diya
Ae mere dost ae mere humdum
Mere mohosin mere karam farma
Wo mera gham tha yah
Khushi meri har jagah
Tune mera sath diya
Ae mere dost ae mere humdum

Kaun tha tu kaha se aaya tha
Aaj tak maine yeh nahi jana
Tu meri ruh tha magar maine
Tere jaane ke bad pehchana
Ae mere dost ae mere humdum
Mere mohosin mere karam farma
Wo mera gham tha yah
Khushi meri har jagah
Tune mera sath diya
Ae mere dost ae mere humdum

Tu sudama bhi hai, kanhaiya bhi
Kanhaiya, kanhaiya
Tu sudama bhi hai kanhaiya bhi
Tu bhikari bhi aur data bhi
Tere sau rang hai mere pyare
Tuhi pyasa hai tuhi jharna bhi
Ae mere dost ae mere humdum
Mere mohosin mere karam farma

Wo mera gham tha yah
Khushi meri har jagah
Tune mera sath diya

Ae mere dost ae mere humdum

Tu meri bebasi ke aalam mein
Jab kabhi mujh ko yaad aata hai
Soch kar meherbaniya teri
Dil mera baith baith jata hai
Akhri araj meri tujhse hai
Har khata meri dar guzar karna
Wo ghadi aa rahi hai jab mujhko
Iss zamane se hai safar karna
Ae mere dost ae mere humdum
Ae mere dost ae mere humdum
Ae mere dost ae mere humdum.
