

Ae mere dost lot ke aaja  
Bin tere zindagi adhuri hai  
Ae mere dost lot ke aaja  
Bin tere zindagi adhuri hai  
Aake to dekh meri halat ko  
Ko bin tere har khushi adhuri hai  
Ae mere dost lot ke aaja

Banke humdard mera humsaya  
Tu meri zindagi mein aaya tha  
Banke humdard mera humsaya  
Tu meri zindagi mein aaya tha

Pyar apno se bhi jyada  
Kiya mujhe tune  
Log kahte hai tu praya tha  
Log kahte hai tu praya tha  
Ae mere dost lot ke aaja  
Bin tere zindagi adhuri hai  
Ae mere dost lot ke aaja

Mere dil se yahi dua nikle  
Tu jaha bhi rahe kushhal rahe  
Mere dil se yahi dua nikle  
Tu jaha bhi rahe kushhal rahe

Bhul ke bhi na bhula pau  
Mai tujhe humdam  
Har ghadi bas tera khayal rahe  
Har ghadi bas tera khayal rahe  
Ae mere dost lot ke aaja  
Bin tere zindagi adhuri hai  
Ae mere dost lot ke aaja

Yaad aate hai jab karam tere  
Meri aankho se ashaq bahte hai  
Yaad aate hai jab karam tere  
Meri aankho se ashaq bahte hai

Tere ehsano ka badla  
Main chukau kaise
