

Ae meri mehub mang le
Jo tujhko manjur
Gagan ki sundar chand ka jhumar
Subha ke suraj ka sindur
Gagan ki sundar chand ka jhumar
Subha ke suraj ka sindur
Mujhko tera pyar chahiye

Sunhari sham se rang udakar
Rang udakar
Badal ke badal ke badal ke
Main pankh laga kar
Doli saza kar tujhe bitha kar
Le jau duniya se dur
Le jau duniya se dur
Ae meri mehub
Ae meri mehub mang le
Jo tujhko manjur
Gagan ki sundar chand ka jhumar
Subha ke suraj ka sindur
Mujhko tera pyar chahiye

Mujhko tera pyar chahiye
Aur na kuch manjur
Aakar sajan tham le daman
Chhod de duniya ke dastur
Aakar sajan tham le daman
Chhod de duniya ke dastur
Jo tujhko manjur mang le mang le

Duniya ke dar karke bhagu
Dar karke bhagu
Tu jo mile kuch aur na mangu

Aur na mangu
Sathi mere pyar mein tere
Dhul bhi mujhko hai sindur
Dhul bhi mujhko hai sindur
Mujhko tera pyar chahiye
Aur na kuch manjur
