Adi pacharisi pallukari  
Pattinikku panthi vaikka  
Machamellaam minnudhadi  
Natchathirama

Ada thanneerula  
Meenu onnu  
Thaka thimi tha  
Nenjukuli palathula  
Vandhu kuthicha

Hey sithaada katti vandha  
Singaarama hey singaarama

Mann paanai odaiyaadha

Seemalil senju vacha sithirame  
Adi yemme

Ae pulla kakkalathi  
Embagathi sembagathi  
Mammagathi  
Ae pulla enna suthi  
Manna suthi vinna suthi  
Unna suthi

Ae pulla vennilavin vidhaiye  
Vetti chelai vidukadhaiye  
Aalaana mazhaiye  
Poovaa veesugindra  
Puyale vaa vaa

Ae pulla kakkalathi  
Nee embagathi  
Sembagathi mammagathi  
Ae pulla enna suthi  
Manna suthi vinna suthi  
Unna suthi
